

Kelly Waters Engraving: Yes we do engraving now! Make your life easier and spend more time selling jewelry. We'll do any job large or small.

- How to Order Custom Engraving:**
1. Choose your item by providing a style number
 2. Provide a personal sentiment and/or monogram information. Please be sure that all spelling, grammar, capitalization, punctuation and line breaks are provided as you want the message to appear. For monograms please give the three initials in the order you want them to appear.
 3. Choose your font from the selections below.
 4. Provide any special instructions including placement of letters/words.
